

COST & EARNED VALUE MANAGEMENT MADE
EASY FOR GOVERNMENT CONTRACTORS

Cobra

Contractors are under more pressure than ever to optimize project performance—managing against increased oversight, demands and government reporting requirements. Fortunately, Deltek has developed a comprehensive Cost and Earned Value Management solution to make the job easier!

Deltek Cobra is a simple-to-use, powerful system for managing project costs, measuring earned value and analyzing budgets, actuals and forecasts. With Cobra, you'll have the project insight and control needed to achieve and report on project success.

KEY BENEFITS:

TRACK PROGRAM STATUS RELIABLY

Analyze real-time project data to improve client communication, reporting and forecast accuracy

IMPROVE PROGRAM CONTROLS

Better manage project and labor costs, staffing requirements and resources

STREAMLINE COMPLIANCE REPORTING

Easily and accurately report on earned value across all program phases through delivery

GAIN A COMPETITIVE EDGE

Demonstrate high project success and profitability rates to secure future contracts

HOW IT WORKS:

Infotek's professional Cobra Implementation services are designed to support organizations engaging in a government contract requiring a compliant EVMS and Integrated Program Management Reporting (IPMR) solution. Our team is highly experienced to:

- Coordinate all aspects of baseline setup and monthly reporting requirements
- Ensure compliance with the ANSI/EIA 748 (EIA-748) EVMS standard
- Assist in training project control staff on how to manage through Cobra

Deltek-Certified Partner Implementation Pricing

- EVM Lite Implementation - 82 hours
- Full Cobra Implementation - 210 hours

Contact Infotek's expert team to discuss your Cobra implementation options and additional services.
