

## Run Your Business. We'll Handle the Back Office.

As small GovCons grow, back-office needs often outpace internal resources. Infotek Consulting provides practical accounting, systems, and compliance support so teams can stay focused on winning and delivery.

### Why Work With Infotek

- ✓ Award-winning ERP and systems implementor
- ✓ 800+ successful ERP and accounting engagements
- ✓ Experienced consultants with 15+ years of GovCon delivery experience
- ✓ Cyber AB Registered Practitioner Organization (RPO)
- ✓ Experience working in FedRAMP-ready cloud environments
- ✓ Practical, responsive support for small teams

### How Can We Help?

#### Quick-Start Implementations

ERP, timekeeping, and quality system deployments that get teams live quickly and confidently.

#### Managed Accounting Services

Outsourced accounting support that keeps your books accurate, compliant, and audit-ready.

#### Reporting & Dashboards

Clear, automated visibility across financials, projects, time, and compliance.

#### Cybersecurity & Compliance

Practical guidance for CMMC and other cybersecurity requirements, tailored for small teams.
